Subject: Hawthorn Park Recycling and Disposal Facility – Harris County
Municipal Solid Waste – Permit Amendment Application No. 2185A
Updated Part I Form – Section 8 Public Place Location of Application

A copy of the Permit Amendment Application (PAA) and subsequent revisions have been located at the permittee's Fairbanks Landfill and made available for public review. This was done because the local library where the PAA would have usually been located was closed to the public due to the pandemic. The library has recently reopened so the permittee is relocating the PAA to the Hillendahl Neighborhood Library at 2436 Gessner Road, Houston, Texas, 77080. Golder has revised Section 8 Public Place Location of Application accordingly and have provided a revised page 2 of the Part I form with this submittal.

We have also included page 1 of the Part I form which was previously submitted and includes the URL address of a publicly accessible internet web site where the application and all revisions to that application are posted.
