**RE: PERMIT AMENDMENT APPLICATION (PAA); PERMIT NO. MSW-692B
TEMPLE RECYCLING AND DISPOSAL FACILITY
BELL COUNTY, TEXAS
CN605175884/RN100219401**

Dear Mr. Odil:

In the process of compiling the technically complete Permit Amendment Application (PAA) for Permit No. MSW-692B, including the revised and additional PAA pages submitted in response to the Texas Commission on Environmental Quality's (TCEQ's) review comments, it has come to our attention that we inadvertently did not update the master Table of Contents (TOC) included at the front of each of the four volumes of the PAA. Certain appendices that were added to the PAA during the review process were not identified in the revised master TOC; however, the TOCs for each Part/Attachment of the PAA were updated during the review process to identify the new appendices.

Attached is a copy of the updated master TOC for the PAA which identifies the added appendices. No other necessary corrections to the PAA were identified.

One original and three (3) copies of the master TOC are included with this letter.

This letter and the updated master TOC will be posted to a publicly accessible website as indicated in the Part I form of the PAA and made available for review by the public at the City of Temple Public Library, 100 Adams Ave., Temple, Texas 76501.

If you have questions, please contact the undersigned at 281-821-6868.

Sincerely,
